(Pilots) course commencing in November 1954 will be held by the Union Public Service Commission at Allahabad, Bombay, Calcutta, Delhi, Ludhiana, Madras, Nagpur and Patna some time in April 1954.

2. Candidates who qualify at the written examination conducted by the Commission will be required to appear before the I.A.F. Selection Board which will make recommendations to the Government of India for the final selection of candidates for training for officer ranks of the I.A.F.

3. The number of vacancies to be offered on the results of this examination will be twenty approximately. This is only a provisional estimate and is subject to alteration.

NOTE.—Candidates who have applied for the Military Wing Examination for admission to the Military Wing of the National Defence Academy, or for the Indian Navy Examination for admission as Special Entry Cadets into the Indian Navy, or for the Joint Services Wing Examination for admission to the Joint Services Wing of the National Defence Academy, must exercise their final option before admission to the Air Force Academy, if finally selected. After admission they will be considered neither for admission to the Military Wing nor for the Navy nor for the Joint Services Wing.

4. Candidates for admission to this examination must have been born not earlier than 30th November 1933 and not later than 29th May 1937.

(b) Candidates will appear before the I.A.F. Selection Board, and undergo the tests thereat, at their own risk and will not be entitled to claim any compensation or other relief from Government in respect of any injury which they may sustain in the course of or as a result of any of the tests given to them at the I.A.F. CANDIDATES MUST SEE THAT THEY ARE ELIGIBLE AND MUST DECIDE DEFINITELY TO APPLY BEFORE DEPOSITING THIS FEE IN THE TREASURY (OR BANK). This does not apply to displaced persons seeking remission of the fee, *vide* paragraph 8 below.

(ii) A Certificate of Age—The only proof of age ordinarily accepted by the Commission is the age or date of birth entered in the Matriculation Certificate or in the Secondary School Leaving Certificate, or in a certificate recognised by an Indian University as equivalent to Matriculation or in an extract from a Register of Matriculates maintained by a University, which extract must be certified by the proper authority of the University. The expression Matriculation Certificate in this part of the instructions must be understood as including these alternative certificates.

Candidates will thus understand that the Matriculation Certificate is required in all cases as evidence of age, and it must invariably be sent to the Commission in original with a copy thereof, together with the application.

Sometimes the Matriculation Certificate only shows the age by completed years or completed years and months. In such cases the candidate must send in addition to the Matriculation Certificate an original certificate together with a copy thereof from the Headmaster of the High School from which he Matriculated showing the date of his birth or his exact age as recorded in the school admission register. An Anglo-Indian or an Indian Christian may send his original baptismal or birth registration certificate together with a copy thereof instead of the headmaster's certificate.

If the Matriculation certificate has not been issued to a candidate he should submit along with his application an age certificate from the Headmaster of the School from where he appeared in the Matriculation examination. Such a candidate will be required to submit his original Matriculation Certificate before he is admitted to the Air Force Academy if finally selected. He will be disqualified if later on it is found that the date of birth claimed by him in the application differs from that entered in his Matriculation Certificate unless the discrepancy is explained to the satisfaction of the Union Public Service Commission.

Candidates are warned that unless complete proof of age as laid down in these instructions is sent with an application, the application may be rejected. Further, they are warned that if the date of birth stated in the application is inconsistent with the age shown in the Matriculation Certificate and no explanation is offered, the application may be rejected (Vide Note 4 below).

NOTE 1.—A candidate who holds a completed Secondary School Leaving Certificate need submit with the original a copy of only the page containing entries relating to age.

NOTE 2.—A transfer certificate from a school or college will not be accepted as evidence of age.

NOTE 3.—The Age and Nationality Certificate issued by some State authorities is not required.

NOTE 4.—Candidates should note that when once a date of birth has been claimed and accepted by the Commission for the purpose of admission to an examination, no change will be allowed at a subsequent examination. Candidates who wish to challenge the entry of their age in the Matriculation Certificate, must do so at the first opportunity. In such cases, they must send to the Commission all the evidence on which the claim is based together with a satisfactory explanation of the incorrect entry.

NOTE 5.—Displaced persons, who have lost their original Matriculation Certificate in Pakistan, should obtain duplicate certificate from the University concerned. If they are unable to obtain the duplicate Matriculation Certificate from the University, they should submit an extract from the University Gazette in which their results were published showing their date of birth and certified by the Registrar or the Headmaster.

NOTE 6.—Cadets of the P. W. M. College, Dehra Dun and students of King George's Schools must submit a certificate of age from the Principal of the College/School and no other certificate as evidence of age will be required.

(iii) A certificate of Educational Qualification—Candidates must submit a certificate or diploma in original with a copy thereof, showing that he has one of the qualifications prescribed in the Rules. The certificate submitted must be one issued by the authority (i.e. University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted the candidate must explain its absence, and submit such other evidence in original as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

NOTE.—Candidates who have appeared or intend to appear at an examination the passing of which would render them eligible to appear at this examination may apply for admission to this examination. Their applications will be accepted provisionally and they will be required to furnish proof of having passed the examination as soon as possible and in any case before they join the Air Force Academy, if finally selected.

N.B.—Candidates are warned that if an application is incompletely or wrongly filled or is not accompanied by any one of the documents mentioned above without a reasonable explanation for its absence having been given, the application will be summarily rejected and that no appeal against its rejection will be entertained. The documents not submitted with the application should be sent soon after the submission of the application, and in any case they must reach the Commission's office one month before the date of commencement of the examination. Otherwise candidature for the examination will be cancelled.

Candidates are also warned that they should in no case tamper with the entries in the documents submitted by them. Candidates found guilty of tampering are liable to be prosecuted in addition to being permanently debarred from the Commission's examinations and selections and from employment under Government.

The originals of the certificates forwarded in accordance with paragraphs 5 (ii) and (iii) will be returned when the result of the application is communicated. CANDIDATES ARE ADVISED TO KEEP ATTESTED COPIES OF THEIR CERTIFICATES BEFORE SUBMITTING THEM TO THE COMMISSION. THE COMMISSION CANNOT RETURN THE CERTIFICATES EARLIER THAN THE DATE OF COMMUNICATION OF THE RESULT OF THE APPLICATION FOR WHATEVER PURPOSE THEY MAY BE REQUIRED, NOR CAN THEY SUPPLY ATTESTED COPIES.

If a candidate has already submitted the certificates required in paragraphs 5 (ii) and (iii) above in connection with another examination conducted by the Union Public Service Commission and if they have not yet been returned to him, he should mention the fact when submitting his application, and if possible enclose a copy of each certificate. If the certificates are not with the Commission, they should be sent with the application, irrespective of whether the candidate appeared at a previous examination conducted by the Commission or not. If a certificate cannot be submitted with the application, a reasonable explanation for its absence must be given with the application.

6. Candidates may be required at the interview by the I. A. F. Selection Board to produce the original of any documents copies of which have been submitted.

7. A candidate who claims to belong to one of the Scheduled Castes or Scheduled Tribes should submit in support of his claim a certificate, in original, in the form given below from the District Officer or the Sub-Divisional Officer of the district in which his parents (or surviving parent) ordinarily reside; if both his parents are dead, of the district in which he himself ordinarily resides otherwise than for the purpose of his own education.
